SKYLINE CRUISES

Set sail on a magnificent New York cruise on the Skyline Princess! Since 1993, Skyline Princess Cruises has served the cruising needs of the New York Metro and North Shore Long Island areas, providing everything from simple sightseeing tours to extravagantly catered affairs. The Skyline Princess, a 120-foot Tri-Level luxury motor yacht, features New York dinner cruises and sightseeing tours as well as private functions and charters. Once a year in May the US Lighthouse Society: Long Island Chapter books the cruise ship for an exertion along Long Island Sound's Gold Coast. Tourists will enjoy a spectacular Long Island Sound yacht charter cruise, viewing the Sound's beautiful harbors bordering the impressive mansions and lighthouses including Execution Rocks and Stepping Stone, aboard the Skyline Princess. Breathtaking sights, impeccable cuisine and superior service unite to create an unforgettable New York cruise experience. Whether you are arranging a party for four or four hundred, the Skyline Princess is your perfect choice. They will exceed your expectations - not your budget.

Children's Museum of Manhattan

MANHATTAN

CMOM was founded in 1973 as a non-profit institution designed to inspire and engage families and children in learning arts, literacy, media and communication, science and the environment through interactive exhibits and educational programs. The museum certainly holds up to its mission and vision as it is a wonderful place to bring the children, from toddlers to teens, to learn and grow through exposure to the arts and sciences in a fun-loving, attention-catching way. Some highlights include the Time Warner Media Center where kids can write, produce and star in their own television broadcast and the Russell Berrie Creativity Lab where early childhood age kids can parachute play, do multi-sensory exploration, music, art and interactive storytelling. In addition, there are many featured exhibits such as Cat in the Hat, Mother Goose and Peter Rabbit. The CMOM is a must see attraction and will be certain to inspire families and children to learn about themselves and our culturally diverse world through the arts and sciences.

INTREPID

SEA, AIR & SPACE MUSEUM

Adventures in Heroism

From special events to exclusive exhibits and activities there's always something new to see and do at the Intrepid Sea, Air & Space Museum! Embark on the adventure of a lifetime and enjoy all new exciting and interactive exhibits for the whole family. See the fastest British Airways Concorde in the world. Pilot a supersonic jet on the G-Force Encounter flight simulator, with its full 360 degrees of motion. Join "All Hands on Deck" and try your hand at completing real naval exercises in the hangar deck. View the amazing "Intrepid Wings" movie on a 28-foot screen in the Lutnick Theater. The new pedestrian bridge provides easy access over the West Side Highway to the Intrepid Museum and offers a bird's eye view of the USS Intrepid against the backdrop of the Hudson River.

The New York City Fire Department Museum is located in a renovated 1904 firehouse and it houses the largest and one of the nation's most important collections of fire related artifacts from the late 18th century to the present, including a beautiful memorial of the 9/11 terrorist attack. Among the museum's holdings are apparel, lanterns and tools, pre Civil War hand pumped fire engines, horse drawn vehicles and early motorized apparatus.

The FDNY Fire Zone is a program of the New York City Fire Department's Fire Safety Education Fund and a multi-media educational facility whose purpose is to raise public awareness about fire safety and provide an opportunity for an interactive learning experience. At the Fire Zone you can learn about the power of fire, climb on a real fire truck, try on bunker gear, meet a firefighter, feel a "hot" door and learn to crawl through a smoke-filled hallway, learn to identify hazards in your home and learn what to do in the event of a fire. Every day in every city, firefighters risk their lives to rescue people in an emergency. At the Fire Zone you will meet a FDNY Firefighter and learn about fire safety. Check out the "OFFICIAL" FDNY Store at both museums. The store offers specially designed FDNY t-shirts, baseball caps and jackets, among other officially licensed FDNY products.

Sal and Carmine if you are searching for the best pizza pie in Manhattan... look no further than Broadway's upper-west side. Authentic Italian pizza served by two guys from the "Old Country" whose main concern is producing an outstanding pie, not impressing you with ambiance and elegant atmosphere. They offer a wide variety of traditional pizza's baked to perfection. You are sure to leave their restaurant feeling fully satisfied and looking forward to the next time you visit the Big Apple. Avoid the high prices and prissy cliché eateries; instead try Sal and Carmine's for great pizza. I guarantee you'll think a little less of any other pizza you try in the future. (Take the 1,9 (redline) to 103rd Street and Broadway then walk one-and-a-half blocks downtown.)

2671 Broadway -Between 101st & 102nd Streets (212) 663-7651
